

REACH Regulation (EC) No 1907/2006 Concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals

Michell Instruments Ltd is a manufacturer of moisture measurement and gas analysis instrumentation. These products consist of "articles" as defined under the REACH Regulation (EC) No. 1907/2006.

Michell Instruments Ltd does not produce or import any substances contained in articles in quantities over 1 tonne per year, therefore, Article 7 is not applicable, and are not required to register these articles to the European Chemicals Agency (ECHA).

As Michell Instruments Ltd are based outside of the EU, there are no requirements to submit information to the Substances of Concern In Products (SCIP) database established under the Waste Framework Directive (WFD), nor for the creation of material safety data sheets (MSDS) for the articles it creates.

Michell Instruments Ltd must fulfil its obligations under Article 33 REACH and will inform the recipients of its products that contain Substances of Very High Concern (SVHC) over 0.1% weight by weight (w/w) at the smallest article level. Please refer to the [ECHA Candidate List](#) for the latest list of SVHCs.

The latest update of the Candidate Lists was issued on **June 25th, 2025**. This declaration advises compliance with the latest update.

Michell Instruments Ltd. hereby declares that, in accordance with Regulation (EC) No 1907/2006, under normal and reasonably foreseeable circumstances, its products do not contain any Substances of Very High Concern (SVHC).

With the following exceptions:

Product	Item Code	Substance	CAS No.	Article	MIL P/N
Easidew DPD Dryer Portable	EA-DPD-DP	1,3-propanesultone	1120-71-4	Battery	29001
CDP301	CDP301	Lead (Pb)	7439-92-1	PT100+Mirror	29457
Communication Kit	EAU-CK	Lead (Pb)	7439-92-1	Connector	27139
Condumax II	CD2	Lead (Pb)	7439-92-1	Socket	27644

The statements made here are made to the best of our knowledge based on the information currently available and provided by our suppliers.

This declaration is provided in good faith but is not corroborated by any chemical analysis. The declaration applies specifically and only to the condition of products when shipped from Michell Instruments Ltd.'s manufacturing facility. Michell Instruments Ltd does not, and will not, assume any liability for other materials or processes used in combination with the products listed above.
